

Job Opening : Tenure-track Assistant Professor

1. Position title and number of jobs

Tenure-track assistant professor, one

2. Institute

Nuclear physics, experiment.

Division of Physics, Faculty of Pure and Applied Sciences, University of Tsukuba, Japan

3. Job description

The Division of Physics at University of Tsukuba invites applications from excellent researchers in the field of experimental nuclear physics. The group, in conjunction with the Tomonaga Center for the History of the Universe (TCHoU) and Research Facility Center for Science and Technology (UTTAC), currently conducts following research subjects: studies for properties of quark-gluon plasma at the CERN LHC and BNL RHIC, nucleosynthesis studies with unstable nuclei at RIKEN RIBF, studies for cosmogenic nuclides by Accelerator Mass Spectrometry (AMS) in UTTAC. The successful candidate is expected to play a leading role in one of the subjects above, or to create a new subject with cooperation of current members. The candidate will also be involved in education at both undergraduate and graduate levels.

4. Qualification

PhD in experimental nuclear physics or related field.

5. Starting date

February 1, 2020, or as soon as possible after the decision is made.

6. Terms of appointments and conditions of employment

- A five-year tenure-track term. Evaluated at the mid-term and in the final year of the term.
- The salary will be paid in an annual-salary system. Eligible to receive transportation expenses (under certain conditions), to become a member of the MEXT Mutual Aid Association and employment insurance. Holidays are subject to the rules and regulations of the University.

7. Documents to be submitted

- (1) Curriculum Vitae with your recent portrait

(2) List of research activities including papers, presentations of international conference, competitive research funds, awards and etc.. (Separate lists for refereed and non-refereed papers)

(3) Five major papers

(4) Summary of research accomplishments and plans (2 or 3 pages in total)

(5) Contact information of reference person(s).

8. Application deadline

Thursday, October 31, 2019.

9. The documents should be sent via e-mail to the following address.

tsukuba-np-exp2019@tac.tsukuba.ac.jp

Professor Yasuhiro Hatsugai

Chair, Division of Physics,

Faculty of Pure and Applied Sciences, University of Tsukuba.

An acknowledgement of the receipt of the documents will be sent to the applicant within a few days. If there is no acknowledgement, please send e-mail to contact.

10. Contact
