

Faculty Position in Biomaterials Research

Faculty of Pure and Applied Sciences, University of Tsukuba

- Position: Assistant Professorship
- Affiliation: Department of Materials Science, Faculty of Pure and Applied Sciences, University of Tsukuba
- Research fields: Organic chemistry, polymer science, bioengineering
- Work description: Interdisciplinary research that combines organic chemistry, polymer science, and bioengineering
- Qualifications: 1. A PhD, or on course to obtain one by the starting date.
2. Demonstrated ability in research that straddles the fields of organic chemistry, polymer science, and bioengineering.
3. A willingness and ability to work with Prof Yukio Nagasaki to jointly run and manage his laboratory in order to vigorously advance research in the field.
- Starting date: Earliest possible date after selection.
- Employment status: Until March 31, 2020 (There is possibility to extend until March 31, 2022).

Application Materials:

1. Curriculum vitae (free format).
2. List of achievements. Peer-reviewed journal papers (with the number of citations if possible), books, reviews, invited talks, awards, research grants (PI only), etc. (No portal presentation and proceedings is required) should be listed under separate headings.
3. Copies of three representative papers in the last five years.
4. Summary of past research achievements (within one A4 sheet).
5. Your future research plan (within one A4 sheet).
6. Names, affiliation, and contact addresses of two persons who can be reached for comment.

Application Deadline: The application materials must arrive no later than March 18, 2019 (Mon.).

Mailing address: Ken-ichi Hino, Chair, Department of Materials Science,
Faculty of Pure and Applied Sciences, University of Tsukuba, 1-1-1, Tennodai,
Tsukuba, Ibaraki, 305-8573, Japan
(Indicate "Assistant Professor (Biomaterials)" in RED on the face of the envelope, and post by REGISTERED MAIL.)

Inquiries: Yukio Nagasaki, Professor, Department of Materials Science,
Faculty of Pure and Applied Sciences, University of Tsukuba,
Tel: +81-29-853-5749, E-mail: nagasaki@ims.tsukuba.ac.jp
