

Notes for Securing Safety Abroad

Students who take Graduate General Education Courses “International Research Project” “International Internship” must check the following items 1 to 3 below, and make efforts to ensure their safety and to report the safety confirmation promptly.

1. The University of Tsukuba Safety Reporting WEB system

The University of Tsukuba operates a web page for reporting safety in order to promptly confirm the safety of students in an emergency. If you are involved in an incident or accident while traveling, or if the danger information of the traveling area is reported in the media, please report about your situation using this WEB System.

2. Regulations and Information about prior notification and safety management at the time of overseas travel of students of the University of Tsukuba

① Overseas travel notification (online submission)

All students at Tsukuba University need to be notified online when traveling abroad. This is intended to promptly confirm the safety of all students traveling to the area in the event of an emergency such as a disaster, terrorism or infectious disease outbreak overseas, and to promptly provide the necessary support. Therefore, we ask for submission when traveling abroad, including private travel.

Additionally, regarding the security information for overseas, you must grasp fully the conditions of your travel destination (country or region) from “Overseas Security Website” the Ministry of Foreign Affairs in advance.

3. Obligation to communicate with your tutor during the traveling

Keep in touch with your tutor once a day during the travel.

If this is not possible, you must inform the tutor in advance of the reasons.

To provide effective support promptly, the information about your whereabouts is important for us.
