

Tenure Track assistant professor position
Department of Physics, Faculty of Pure and Applied Sciences,
University of Tsukuba

Title:

Tenure Track assistant professor

Affiliation:

Department of Physics, Faculty of Pure and Applied Sciences, University of Tsukuba

Contents of work, Research field:

Department of Physics of Faculty of Pure and Applied Sciences at University of Tsukuba seeks applicants who have achievement of plasma diagnostics or surface diagnostics, and have strong motivation to develop studies of plasma-material interaction, plasma-bio science, etc. If the applicant is employed, he or she will be required undergraduate and postgraduate educations.

Starting date:

As soon as possible after a hiring decision is made.

Educational organization in charge:

Doctoral and Master's Programs in Physics, Graduate school of Pure and Applied Sciences
College of Physics, School of Science and Engineering

Status of employment:

Full-time (Tenure-track, Tenure-track period: 5 years)

The term of employment is five years from the start of the employment. The Tenure Track assistant professor will be offered a tenured assistant professor position if he or she passes a review for tenure which will be performed at the last year of the tenure-track period. Besides, an interim review will be done at least 2 years before the end of the tenure-track period.

Qualification:

An applicant should have a PhD or be expected to obtain the degree by the start of employment.

Application materials:

- (1) Curriculum Vitae with your recent photograph
- (2) List of research activities including papers, presentations of international conference, competitive research funds and awards. (Separate lists for refereed and non-refereed papers)
- (3) Copy of your main articles (not more than three articles)
- (4) Summary of research activities (not more than 2 pages)
- (5) Ambition for future research and education (not more than 1 page)
- (6) Recommendation letter (one)

The submitted materials will not be returned.

Deadline for application:

June 28, 2019 Japan Standard Time

Submission:

Application materials should be sent to:

Prof. Yasuhiro Hatsugai, Dean

Department of Physics, Faculty of Pure and Applied Sciences, University of Tsukuba
1-1-1 Tennodai, Tsukuba, Ibaraki 305-8577, Japan

Write in red ink in the front of the envelope as “Tenure Track Application to Department of Physics (Plasma)”. The recommendation letter may either be included in the applicant’s envelope or be arranged to be sent to the above postal address directly. In the latter case, the name of the candidate should be indicated on the envelope.

Contact person:

Prof. Mizuki Sakamoto, Tel: +81-29-853-7468

Email: sakamoto[at]prc.tsukuba.ac.jp

Miscellaneous:

Salary and allowances will be provided in accordance with the university guidelines.
