BE22871	Contemporary Issues in Developing Countries	1	2.0	2 - 4	FallIAB	Fri3, 4	3B405	Yuko Nakano	The goal of this course is to understand contemporary and important economic and social issues in developing countries. We also analyze statistical data related to the topics.	Identical to BB41401 and BC12121. Lectures are conducted in English. JTP
BE22891	International Negotiation	1	2.0	1 - 4					This course provides an overview of the theories and practices of international negotiation and conflict management. Negotiation is commonly used in international conflict management and decision-making in international affairs. The theories, practices and evolution of negotiation in international context are the central subjects of the course in which students learn the theories, assess practical challenges in international negotiation and explore rich negotiation experiences in bilateral, regional and international negotiations. The course attempts to equip students with practical understanding of the process, rules, and challenges of international negotiations and provides them the opportunity and the forum to apply their understanding of negotiation to deal with real world disputes and negotiation topics.	Lectures are conducted in English. Not open in 2016. G-course
BE22951	G30 Special Lecture V	1	1.0	2 - 4	Sum Vac	Intensive		Abu Girma Moges		Lectures are conducted in English.
BE22981	G30 Special Lecture VIII	1	1.0	2 - 4	FallIIB	Intensive		Chie Maekoya	This course provides students with a basic overview of family violence from victimological and psychosocial perspective. It covers different types of family violence such as child abuse, spouse abuse and elder abuse. Students will learn how to decrease victims' vulnerability and enhance victims' recovery. Further, we will discuss culture influence on our perception towards family violence issues.	Lectures are conducted in English.
