Professor Recruitment
Department of Chemistry, Institute of Pure and Applied Sciences

University of Tsukuba
Personnel Committee

Department of Chemistry, Institute of Pure and Applied Sciences, University of Tsukuba is seeking candidates for a professor. If you are interested in applying, please read the following information.

1. **Number of Positions Available:** One full-professor position
2. **Field of Expertise:** Analytical Chemistry and/or Physical Chemistry (chemistry based on experimental measurements).
3. **Main Academic Discipline Assigned:** Master's/Doctoral program in chemistry, Degree Programs in Pure and Applied Sciences, Graduate School of Science and Technology; College of Chemistry, School of Science and Engineering
4. **Affiliation:** Department of Chemistry, Institute of Pure and Applied Sciences/Research Facility Center for Science and Technology
5. **Qualifications:** (1) Holding a Ph. D. degree. (2) Administration for the research facility center for science and technology. (3) A strong motivation to pursue experimental research in analytical and/or physical chemistry, and/or their interdisciplinary areas. (4) Japanese skills to carry out their teaching and research. (5) Supervising doctor-course students in preparation of doctoral dissertations.
6. **Application Materials:** Please compile the following documents into PDF files, compress them into a single zip file named "FullName_Date.zip" (e.g., TakahiroSasamori_1129.zip), and upload the zip file according to the following indication. **Please note that applications submitted only in this format will be reviewed.**

(1) Curriculum Vitae

(Use the standard commercially available resume form and attach a recent portrait.)

(2) List of Research Achievements

(Include the total number of peer-reviewed papers, citation count, h-index, invited lectures, awards, and status of external funding.)

(3) Copies of Five Major Papers

(4) Summary of Research Activities (Approximately two A4 pages.)

(5) Statement of Educational Policy and Future Research Plan

(Approximately two A4 pages.)

(6) List of Two Professional References

(Provide complete contact information.)

(7) Self-Declaration on Specific Categories

[Form:

https://coi-sec.tsukuba.ac.jp/wp-content/uploads/Form5_En_202206_Self-Declaration-on-Specific-Categories-1.docx

Example:

https://coi-sec.tsukuba.ac.jp/wp-content/uploads/Forms5_En_202209_Self-Declaration-on-Specific-Categories-SAMPLE-as-of-the-date-of-enrollment.pdf

(8) Consent Form for EEA Residents Only

(Consent regarding the handling and transfer of personal data outside the EEA, in accordance with the EU General Data Protection Regulation [GDPR]. The University's designated form can be downloaded via the Application Form.)

7. **Submission Deadline:** October 31, 2025 (Japanese Standard Time)
8. **Selection Process:** The submitted materials will be reviewed in the first screening. Interview and presentation will be conducted as necessary. Travel and other expenses incurred to attend the interview and presentation will be the responsibility of the applicant.
9. **Terms of Appointment:** The mandatory retirement date will be the end of the first March after his/her 65th birthday.
10. **Scheduled Date of Appointment:** As early as possible after April 1, 2026.
11. **Working Conditions:** Working conditions shall be compliant with the Provisions and Regulations of University of Tsukuba. The working place shall be on Tsukuba Campus (located at 1-1-1, Tennodai, Tsukuba, Ibaraki, Japan).
12. **Application Procedure:** Please register through the following application form and follow the instructions provided in the email you will receive afterward to upload the zip file of application documents to the designated site.
Application form: <https://forms.office.com/r/BHNWtwB2fx>
13. **Inquiries:** Prof. Dr. Takahiro Sasamori
Chair at Department of Chemistry, University of Tsukuba
1-1-1, Tennodai, Tsukuba 305-8571, Japan.
Phone/Fax: +81-29-853-4412.
E-mail: sasamori@chem.tsukuba.ac.jp
14. **Additional Information:**
 - Applications in English will be accepted. The presentation may be conducted in English upon request.
 - Applicants may be asked to visit the university for an interview during the selection process.
 - The University of Tsukuba upholds the spirit of the Basic Act for Gender-Equal Society and conducts its selection process in line with the university's basic principles and policies on diversity.
 - The University of Tsukuba implements strict review procedures for hiring foreign nationals or individuals affiliated with foreign universities, companies, or government agencies in accordance with its Security Export Control Regulations based on Japan's Foreign Exchange and Foreign Trade Act.
