

# On-Campus Transportation System (Bus Pass)

On-campus Transportation System allows annual unlimited rides on the buses from any bus stop on the route (refer to the bus route map below) between the Tsukuba Center bus terminal and the university, including each on-campus facility and student residence halls for 9,500 yen (about 790 yen per month). We recommend especially freshmen who often need to move around the campus for classes to use this system.

Note: For your reference, usual commuter pass costs 96,770 yen per year if you ride from Tsukuba Center to Tsukuba Daigaku Chuo (280 yen for one way).
