Elective	Other basic or advanced content			
Total number of credits				25

Precautions suggested for students who have qualified under the special selection system for working people (these are students who are granted a special exception under Article 14) The education of vital postgraduate subjects can be carried out in a proper manner by employing such measures as conducting classes or research instructions at night or other specially-arranged times or periods (Article 14 of the postgraduate college installation standard).	
Precautions suggested for early graduates while choosing courses (not including the early completion program) One year or more spent enrolled at a postgraduate college is sufficient for students who show excellent academic results (The provision in Article 16 of the postgraduate college installation standard is applied in such cases).	 A student who is accepted as having showed excellent academic results can complete his/her school term by receiving the certification following the predefined procedure even if the actual number of school days covered by the student is less than three years. On the completion of the first year, taking following classes early is acceptable:the「Research in MI IVA」、「Research in MI IVB」、「Open Seminar IVA」、「Open Seminar IVA」、「Research in MI IVB」、「Open Seminar IVA」、「Research in MI VB」、「Open Seminar VA」「Open Seminar VA」「Open Seminar VA」「Open Seminar VA」、「Research in MI VA」、「Research in MI
Completion requirement The completion requirements of the doctoral course are defined in sections 1 and 2 of Article 43 of the postgraduate college code; the subjects for each program of this graduate course should be chosen such that the combination exceeds the necessary number of credits.	Earn/Complete the predefined credits based on the standard decided by this subprogram and pass the review of the doctoral thesis and the final examination.

(Remarks)

^{1.} The number of credits shown in this table shows the minimum value required for the completion of the course.

^{2.} As a general rule, it is not possible to earn credits of the same subject twice.

^{3.}Suuri fellowship grantees must enroll in designated courses.
