

Registration Procedures • Completion Requirements

Graduate School of Comprehensive Human Sciences International Joint Degree Master's Program in Agro-Biomedical Science in Food and Health

Registration Procedures

Subject Types		University of Tsukuba (The 1st semester)	National Taiwan University (The 2nd semester)	University of Bordeaux (The 3rd semester)	Internship (The 4th semester)
Foundation Subjects	(Compulsory)	1.Introduction of Agro-Biomedical Science(1) 2.Agro-Biomedical Science Group Seminar(1) 3.Basic Molecular Nutrition(1) 4.Entrepreneurship Training I(2) 5.Entrepreneurship Training II(2) 6.Professional Project Building(1) 7.English in Medical Science and Technology(1)		Job or Internship Hunting Including Technological Watch (1.5)	
	Credits Required	9		1.5	
	(Elective)				
	Credits Required	0			
Specialized Subjects I & II	(Compulsory)	1.Agro-Biomedical Science Laboratory SeminarI(1) 2.Research and Development for Agro-Biomedical ScienceI(3)	1.Cellular Network of Biological Molecules (2) 2.Contemporary Issues in Global Health (3) 3. Agriculture in Taiwan (2)	1.International Scientific Seminars (1.5) 2.Integrative Unit with Omic & Bioinformatic Tools (3) 3.Field to Laboratory Practices with Data Management & Data Mining (1.5)	1. Internship for UT students (3) 2. Internship for NTU students (15) 3. Internship for UB students (15)
	Credits Required	4	7	6	
	(Elective)	Obtain at least 2 credits from the program elective subjects.	Obtain at least 8 credits from the program elective subjects.	Obtain at least 7.5 credits from the program elective subjects.	
Credits Required	15~	15~	15~		

Completion Requirements

1. From the 1st semester to the 3rd semester, students must acquire a total of 45 credits or more by taking at least 15 credits at each university.
2. In addition to Note 1, in the 4th semester, students must choose 1 from 3 internships operated by each university.
3. Students must pass the achievement evaluation on learning outcome evaluation system .
4. Students must pass the final examination and special subject research.
