

Selection Methods

For credited auditors (graduate school), acceptance will be decided for each course by “Document Screening and interview” or “Document Screening”. The selection method varies depending on the educational organization where the course is offered, so please check the interview methods listed on the next pages. Furthermore, the interview process is as follows.

【Interview Process】

Select the course you want to take from the “Course List (For Graduate Programs)” and check the educational organization that offers the course.

Check the interview methods listed on the next pages.

【Interview is required】

【Interview is not required】

Contact the educational organization where the course is offered and check the date and location of the interview.

* When contacting, inform them that you are planning to apply to become a credited auditor (graduate school), the subject you are applying for, the name of the teacher in charge of the lesson, and that you want to take a interview.
