

学分金(Gakubunkin) transfer instruction

The Executive Committee of the 50th school festival Finance department

Definition of student fee

学分金(Gakubunkin) is an abbreviation for the school festival student Fees. In order to make the festival a university-wide event and to clarify the idea of "making the festival by students' own hands, the university rules stipulate that 'all students must pay 学分金(Gakubunkin)'. 学分金(Gakubunkin) is transferred to the income of the festival committee (Gakujitsui) each year and used to pay for the operation of the school festival.

Amounts paid

The tuition fee is 600 yen per year for freshmen. In addition, each student is responsible for the bank transfer fee. The total amount to be paid is as follows because we ask students to pay the total amount for the expected years of enrollment in a lump sum to reduce the burden on both students and the festival committee (Gakujitsui).

□ Number of years enrolled×600 yen=Amounts paid

Payment Deadline

The deadline for transfer is Wednesday, April 23th 23:59. If you are late in making the payment due to unavoidable circumstances, please contact the following E-mail address of the Academic Affairs Committee and make the payment promptly.
