### 3. Students exceeding the standard course term

\* If you already submitted the certificate in [Table 3] in February 2022, it can be omitted. In the "memo" field on the front side of "Cover of attached documents", please indicate that you have already submitted.

Students exceeding the standard course term are persons who attend school exceeding the shortest years required for graduation or completion. Depending on the selection, students with an exceeding period of 1 year or less on the dates below and satisfy any of the following conditions can be subject of tuition exemption. Students without mitigating circumstances for exceeding the standard course term will not be eligible to receive a tuition exemption.

The base date: First period (spring semester) AY2022      September. 30, 2022

(i) Graduation/course completion time was postponed due to a leave of absence

E.g.

A student took absence for the whole spring semester in his/her 4<sup>th</sup> year of the undergraduate school so he/she was lacking in time to complete the course in this year and planned to graduate in the end of the next academic year. As the result, the length of his/her study is extended by six months.

(ii) Graduation/course completion time was postponed due to studying abroad.

(iii) Other

- ① Students who could not earn enough credits because of medical treatment for less than the period required to take absence from school (2 months)
- ② Students with disabilities
- ③ Students who are considered to have mitigating circumstances other than those listed above.

If any mentioned above applies, submit the following additional documents to apply.

[All applicants] Interview Sheet (Form 6)

For more information, please refer to the next page interview.

[Submit applicable items]

Check [Table 3], and if any category applies, submit a photocopy of the certificate.

[Table 3]

Category	Certificate	Issuer
Students who could not earn enough credits because of medical treatment for less than the period required to take absence from school (2 months)	Medical certificate	Hospital
Graduation/course completion time was postponed due to studying abroad	Certificate of studying abroad	University of Tsukuba or foreign institutions
Students with disabilities	Disability certificate	Applicable person possesses

## **Interview**

Students who have exceeded the standard course term have to undergo an interview as follows.

- Interviewer : In principle, your teacher is the interviewer.  
Students must contact the teacher to ask for the interview. If it is not possible to have the interview because of the teacher's absence or other reasons, consult at each academic service office.
- Interview Sheet (Form 6)  
After filling out [For the applicant only], bring the Interview Sheet to the interviewer and ask the teacher to fill out [For the interviewer only]. After the interview, have your teacher seal the envelope with the Interview Sheet inside. Be sure to submit the envelope together with other required documents.

## 4. Exemption criteria

The decision for tuition exemption is based on the applicant's household earnings as well as their academic ability. Please refer to the following criteria about academic ability.

[Academic Standard]

- New Students (including those of transfer enrollment) who has passed the entrance examination of Tsukuba University are regarded as excellent.
- Regular students must earn given credits, and an average of academic record must be above 3.2. Students higher than 2<sup>nd</sup> grade of School of Medicine must earn standard number of credits given for each academic year from the colleges. Students higher than 2<sup>nd</sup> grade of Professional Degree Program, continuous three-year doctoral programs and three-year doctoral programs must earn standard credits given from research colleges and the average of academic record must be above 3.2. In addition, as for students of continuous three-year doctoral programs and there-year doctoral programs, their research must be evaluated to a certain respectful degree in their schools.
- Please refer to the equation below when calculating the average score. Please convert A<sup>+</sup> and A into 5 points, B into 3 points, and C into 2 points .

$$\frac{(\text{number of A}^+ \text{ and A} \times 5) + (\text{number of B} \times 3) + (\text{number of C} \times 2)}{\text{total number of credits}} = \text{the average}$$

[Table 6] Number of credits of Schools, Colleges and Graduate Schools

Grade	Number of credits
2nd grade of schools or colleges	More than 31 credits
3rd grade of schools or colleges	More than 62 credits
4th grade of schools or colleges	More than 93 credits
2nd grade of Master's Program	More than 15 credits
2nd grade of Doctoral Program	More than 6 credits (more than 7.5 credits)
3rd grade of Doctoral Program	More than 12 credits (more than 15 credits)
4th grade of Doctoral Program	More than 18 credits (more than 22.5 credits)
5th grade of Doctoral Program	More than 24 credits

The number in parentheses is the number of credits to acquire at Doctoral Program in Medical Sciences in Degree Programs in Comprehensive Human Sciences

## **5. Points to note regarding tuition fee exemption**

- (1) Applicants should not pay the tuition fee before they receive their screening results. In case you pay the tuition, we will consider that you withdraw your application. Transaction of automatic bank transfer payment for the tuition fees that applicants have registered is suspended until the result is announced.
- (2) The university may decide to grant you a full or partial exemption of your tuition fees.
- (3) The university cannot guarantee that it will grant you Exemption every semester. Please note that this decision is highly dependent on that year's budget.
- (4) Students who decide to take a leave of absence or withdraw from the university after having applied for the tuition fee Exemption must notify the respective Academic Service Office and submit a Request for Withdrawal of Tuition Exemption Application as soon as possible. Such students will become ineligible to receive a tuition fee Exemption for the current semester.
- (5) Incomplete applications (e.g. improperly filled-out forms, insufficient documents for submission etc.) will NOT be accepted. So please prepare your application documents as early as possible.
- (6) Personal information obtained from submitted documents, including application forms and certificate, will not be used for purposes other than screening for the tuition fee Exemption.
- (7) Should it be discovered that the application was made under false pretenses, the university reserves the right to revoke the decision to provide a tuition Exemption. Therefore, make sure that all of the statements in your application are true.

## 6. Notification of results

### How am I notified of the result?

The result in a form of notification letter will be handed to each applicant at respective Academic Service Office (Student Affair Section).

### When do I know the result?

The result for First period (spring semester) of AY2022 is scheduled to announce mid July 2022.

\* This is an approximate time of result notification at this time. There may be a possibility of delay occurred depending on certain situations.

Once the announcement date is determined, it will be notified through University homepage (“News on Scholarship and Tuition Fees” page inside “Student Support” in “CAMPUS LIFE” of the English site) or a notice placed on “TWINS”. Be sure to look for those regularly around this time.

### When is the due for the tuition payment once I receive a result of disapproval or a partial exemption?

The due date will be shown on the notification of result. Please confirm the date and arrange to make the payment by then. Those who are approved of Tuition Fees Deferment for the First period of AY2022 shall pay the tuition by the end of August 2022, and the payment can be made by using Postal Transfer Slip. There will be an additional cost of service fee and stamp duty charged to payers for the transaction.

If you have read this guide carefully and you still have any questions, please ask your respective Academic Service Office.
