4 Due Date and Method of Application

Submit exemption application documents with admission documents at the admission procedures.

Note: Certificates of (temporary) income must reach the Division of Student Welfare (Financial Support), Department of Student Affairs by 17:00, Friday, March 27, 2026 (strictly enforced). Write the name of the School and College enrolled in and the applicant's name at the right top corner of the documents to be sent.

5 Exempt Amount

All or a part of the regular admission fees

6 Deferment of Payment

If the deferment is permitted, payment of admission fees is postponed until Friday, February 26, 2027.

7 Result Announcement (scheduled)

After July 2026

8 Other

For all applicants who apply the exemption and deferment of the admission fees, their payment of the fees will be postponed until the decision of approval/disapproval is made.

The applicants who receive the disapproval decisions **shall be expelled from the university registry unless the person pays admission fees within Thirty days** from the date of the decision informed. Please keep in mind on checking the academic Web Bulletin Board System. (If you'd like to apply for both exemption and the deferment of Admission Fee, please choose the category of "Exemption and Deferment" in the application forms. [Refer to p.3]).

* Attention for Application for Admission Fees Exemption etc.

1. If the admission fees are paid before the decision of approval/disapproval is made, the application will be reckoned as to be declined. In the case, the admission fees already paid shall not be returned.

2. Lack of necessary information and incomplete attached documents will lead to "disapproval due to incomplete documents." **In the case of this disapproval, please pay the admission fees as soon as possible.**

Not a few applicants are disapproved every year because they do not read the application guideline and submit imperfect documents etc. When the application documents are unsure, confirm required documents before submitting them.

3. If there is any other question, inquire at the contact below.

● Please check the academic Web Bulletin Board System after admission because all notices about exemption etc. will be posted on it.

● Personal information obtained from the submitted application form and various certificates etc. is not shared other than selection of exemption and deferment of admission fees.

- (5) For the person who is enrolled in preparatory school, miscellaneous school, special technical school (general course) etc., and who is studying at home for an entrance exam, enter his/her name and the school name etc. in the "⑨Family members except persons attending school," and submit the certificate about his/her income when the person is included in the members of family.

⑪ Scholarship Section

An applicant who receives a scholarship grant (no obligation to repay) from the Japan Student Services Organization and any other scholarship organizations in AY2025 is required to enter. A person who receives scholarship loans (obligation to repay) is not required to enter.

For “Scholarship Grant”, enter the amount of one year.

⑬ Special Deduction Section

For relevant situations listed in the section, refer to p.16 and enter the corresponding information to deduct the expense from the amount of income.

In the case of an international student who lives alone in Japan, only the student who is identified him/herself as having a disability or sickness are eligible to apply.

(1) Criteria for the deduction about “Person with disability” are as follows:

- (a) Person who is described as having a physical disability in the identification booklet for the physical disability issued under Article 15, paragraph 4 of Law for the Welfare of Persons with Disabilities, or a person in similar situations.
- (b) Person who has lack the ability to understand logic due to a psychical disability, or person who is certificated as a mentally impaired person.
- (c) Bedridden person who need complicated nursing care.

In this regard, the expenses for welfare and medical treatment for the person with disability falling under (2) a. ~ g. below may be deducted from the income in “Household with Person Needing Long-Term Treatment.”

(Note) The criteria for persons who qualify for the deduction as persons with disabilities are showed as follows.

a. Persons in (a) above

I. Person who has applied for issue of Identification Booklet for Person with Physically Disability.

II. Person who has a physical disability described in “Law for the Welfare of Physically Disabled Persons” but does not have Identification Booklet for Person with Disability.

b. Person who is mentally impaired

In the case of the person with a psychical disability, certification by a doctor etc. is required. For a person who has intellectual disability, the person should have had the diagnosis of the difficulty by a child counseling center, rehabilitation center for intellectually challenged persons, mental health welfare center or mental health examining doctor.

c. Bedridden person

I. Person who is not able to excrete without nursing assistances or who has more severe conditions with certificates that the conditions have continued over six months.

II. Person who is identified to require a long-term care above care level 3.

(2) Deduction of “Person Needing Long-term Treatment” is for a person who has been under treatment in Japan for over six months at the time of application or a person who is determined in Japan to require the treatment. If a patient has lasted medical treatment less than six month at the application dates but needs the treatment over six months determined by a doctor, the medical certificate (copy available) that declare the start date and the required period for the treatment shall be submitted. The regular expenses for treatment within one year (from July 2024 to June 2025) will be deducted. Please pay attention that the expenditure period is different from that of income. Following expenses are able to be deducted.

- a. Medical expenses of diagnosis or treatment for doctors.
- b. Expenses paid for hospitalization in the hospital or clinic (excluding meal expenses of the hospitalized patient).
- c. Expenses paid for treatment by masseur, acupuncturist, moxa cauterizer, Judo physiotherapist etc.
- d. Medicine costs for medical treatment or recuperation
- e. Transportation expense for going to hospitals and/or clinics (only costs that is recognized to be absolutely necessary.)
- f. Out-of-pocket expenses for services paid by persons who is “certified as those in need long-term care/support” pursuant to the Long-Term Care Insurance Act.

⑯ Reasons for Application and Family Situations Section

- (1) The applicant him/herself should enter the detailed reason why the applicant needs the exemption or the deferment of Admission fees. International students are also requested to enter in Japanese.
- (2) If the reason is unemployment of a main financial supporter of the applicant’s family, also write the period of the employment and the source of the cost of living.
- (3) If there is no or a small income, enter how to live in detail.
