I. Credited Auditors

“Credited Auditors” is a lifelong education program that allows the public including working professionals to study part-time and for the University to evaluate their learning outcomes.

Enrolled auditors can take courses offered by graduate programs at the University of Tsukuba, and the University gives them a credit if they complete a course.

A broad range of courses are available, everyone is welcome to learn as a credited auditor.

【Approval of Credits Acquired】

When entering the graduate school of the University of Tsukuba as a regular student, depending on the situation, credits earned through “Credited Auditors” can be recognized as credits earned as a regular student. For further details, please consult the Academic Service Office (see “14. Offices”) that each program is assigned.
